#### **AS LONG AS THEY LAST**

We have several thousand MONTBRETIA bulbs (orange salmon) which we will send FREE with early orders, as long as they last. One dozen with every order over \$3.00, in addition to the 50 free Glad bulbs. They should be planted very early.

#### **DISCOUNTS**

On cash orders for amounts over \$5.00 you may select extra bulbs as follows: Over \$5.00, 10 per cent; over \$10.00, 15 per cent; over \$20.00, 20 per cent; over \$50.00, 25 per cent. These discounts do not apply on special assortments or mixtures.

LARGE bulbs are 1 1/4 inches and up to 3 inches diameter, and are generally considered best for exhibition purposes, producing the best flowers on longest spikes.

MEDIUM size bulbs, 3/4 inch to 1 1/4 inches, give a very satisfactory spike, with florets usually as large as from larger bulbs.

SMALL bulbs, less than 3/4 inch are planted for increase rather than blooms, but if not planted too late, most varieties will bloom.

Three or more bulbs sold at the dozen rate; 25 at the 100 rate.
